2. Request to adopt 2007-'08 Budget.

Commissioner Snellgrove made a motion to adopt the 2007-'08 budget. Commissioner Cook seconded the motion.

Mr. Roberts expressed his thanks and appreciation to the commission and to the department heads for the dedication they show in the preparation of the budget for the citizens of Houston County. He stated the public should be proud of the leadership in making and putting together a financially sound budget and doing it without any requests for new sources of revenue. Mr. Roberts pointed out he had been with the county for almost 12 years and he did not remember any new taxes that were imposed. He reported there had been some fees in that timeframe but no request for an increase in the tax base. Mr. Roberts thanked Ms. Nancy Bristow and Mrs. Joan Clark for their work in the preparation of the budget.

Mr. Roberts reported Houston County continues to be in sound financial shape. He stated the county is probably ending the best year in its history. He reported the General Fund is projected to begin FY2007-'08 at $6,770,000 and total funds are projected to begin the year at $9,639,000. Mr. Roberts also reported the county will enter the fiscal year with the largest carryover ever, $9.6 million, which was originally projected to be $6.2 million. Mr. Roberts then reviewed the
highlights of the 2007-’08 budget, with projected expenditures of $39.3 million, which is an increase of 11 percent over last year’s budget.

Chairman Culver thanked Mr. Roberts and the commission for meeting and putting the budget together. The chairman stated the commission appreciated the professionalism Mr. Roberts has brought to the budget process over the years. Chairman Culver also thanked the department heads for the outstanding job they do. The chairman stated one thing that was not mentioned is that the juvenile services cost in the budget is down $147,000. He stated he felt the meetings with the judges and other people have helped, and he appreciated the judges working on it. The chairman stated it was pointed out there will be three elections in this budget and he stated he wanted to try to clear up any confusion. He pointed out there will be a Presidential Primary in February, regular June Primary and the runoff in June. He stated those three do not count the November election. Chairman Culver reported the county will be re-imubursed for those elections. The chairman reported there is a significant fund balance increase, and he did not want citizens to get the idea the county is flush with money. He stated the county’s long range plan includes some significant projects that the commission is committed to that will require some of the fund balance to be used. Chairman Culver reported the water project that the county will be trying to implement over the next 10-15 years will include some opportunities the commission will be working on this year. The Brannon Stand Bridge project along with several intersection and road improvement projects that are not line item funded in this budget but will be drawn out of that reserve. He stated they think it will be good after the costs of the projects are taken out. Chairman Culver reported Mr. Roberts and his staff, the commission, and the department heads are to be commended for the job they have done in establishing the county’s budget over the years. He stated he felt it says a lot about the county in general and where the county’s financial condition is. Chairman Culver called for the question; and the motion carried unanimously. (Please see Commission Budget Review attached in Minute Book)

3. Request from Probate Judge to approve budget amendment to transfer monies in the amount of $1,638.00 for two five drawer lateral file cabinets.

Commissioner Snellgrove made a motion to approve the request from the Probate Judge for a budget amendment to transfer monies in the amount of $1,638.00 for two five drawer lateral file cabinets. Commissioner Cook seconded the motion. The chairman reported the money is in the budget but it will be transferred from one account to another, and because it is capital, it is the policy of the commission to approve the request. Chairman Culver called for the question; and the motion carried unanimously. (Please see budget amendment in Minute Book)
4. Request to approve budget amendment in the amount of $5,060.00 for advertising the position of Chief Administrative Officer.

Commissioner Cook made a motion to approve the budget amendment in the amount of $5,060.00 for advertising the position of Chief Administrative Officer. Commissioner Forrester seconded the motion. The chairman reported this advertising is to hire Mr. Roberts’ replacement. He stated he had already received some resumes and the process will close on September 30th. The chairman pointed out the commission will begin their portion of it which will include analyzing, interviewing and selecting, and they will be moving forward with that. The chairman called for the question; and the motion carried unanimously. (Please see budget amendment in Minute Book)

5. Request from the Town of Columbia for assistance with site preparation work for the new volunteer fire station and senior citizens’ multi service center.

Commissioner Harvey made a motion to approve the request from the Town of Columbia for assistance with site preparation work for the new volunteer fire station and senior citizens’ multi service center. Commissioner Snellgrove seconded the motion. Chairman Culver reported this is another opportunity for the commission to support the volunteer firefighters and senior citizens as they have done in the past. The chairman called for the question; and the motion carried unanimously.
